ABSTRACT
LIST OF FIGURES
LIST OF PLATES

1.0	INTRODUCTION.....	1
1.1	PURPOSE AND GOALS OF THE INVESTIGATION	1
1.2	DESCRIPTION OF THE STUDY AREA	2
2.0	ENVIRONMENTAL AND CULTURAL CONTEXTS.....	3
2.1	ENVIRONMENTAL OVERVIEW	3
2.2	PREHISTORIC AND CONTACT PERIOD OVERVIEW	4
2.2.1	PALEOINDIAN PERIOD	4
2.2.2	ARCHAIC PERIOD	4
2.2.3	WOODLAND I PERIOD	5
2.2.4	WOODLAND II PERIOD	6
2.2.5	CONTACT PERIOD.....	7
2.3	HISTORICAL OVERVIEW	8
2.3.1	EXPLORATION AND FRONTIER SETTLEMENT (1630 TO 1730).....	8
2.3.2	INTENSIFIED AND DURABLE OCCUPATION (1730 TO 1770).....	11
2.3.3	TRANSFORMATION FROM COLONY TO STATE (1770 TO 1830).....	13
2.3.4	INDUSTRIALIZATION AND CAPITALIZATION (1830 TO 1880).....	14
2.3.5	URBANIZATION AND SUBURBANIZATION (1880 TO PRESENT).....	17
2.4	MARITIME OVERVIEW	21
2.5	THE OCEAN HIGHWAY AND THE INDIAN RIVER INLET BRIDGE.....	23
3.0	METHODS	28
3.1	RESEARCH DESIGN	28
3.2	BACKGROUND RESEARCH	28
3.3	GIS DATA COLLECTION	29
3.4	ARCHEOLOGICAL FIELD METHODS.....	30
3.5	ARCHITECTURAL FIELD METHODS	31
4.0	RESULTS OF ARCHEOLOGICAL SURVEY – INDIAN RIVER INLET.....	32
4.1	PREVIOUSLY IDENTIFIED ARCHEOLOGICAL SITES	32
4.2	REVIEW OF EXISTING GEOARCHEOLOGICAL DATA.....	33
4.2.1	PEDESTRIAN SURVEY.....	33
4.3	MONITORING OF GEOTECHNICAL BORINGS.....	35
4.4	OFF-SHORE DISPOSAL AREAS	38
4.5	SUMMARY OF ARCHEOLOGICAL SENSITIVITY	38
4.5.1	PREHISTORIC SENSITIVITY.....	38
4.5.2	HISTORIC SENSITIVITY.....	39
4.5.3	MARITIME SENSITIVITY	39
5.0	RESULTS OF ARCHITECTURAL SURVEY – INDIAN RIVER INLET	40
5.1	REVIEW OF EXISTING HISTORIC ARCHITECTURAL DATA	40

5.2	FIELD VIEW.....	42
5.3	SUMMARY OF ARCHITECTURAL SENSITIVITY	43
6.0	PHASE I ARCHEOLOGICAL INVESTIGATION OF THE FRESH POND WETLAND MITIGATION AREA	44
6.1	INTRODUCTION	44
6.2	PROJECT LOCATION	44
6.3	METHODS	45
6.4	RESULTS OF FIELD INVESTIGATION	46
	6.4.1 FRESH POND NORTH	46
	6.4.2 FRESH POND SOUTH.....	51
	6.4.3 THE HAUL ROAD	53
6.5	SUMMARY	54
7.0	VISUALIZATION STUDY	56
7.1	CAMERA LOCATION 1	56
7.2	CAMERA LOCATION 2.....	57
7.3	CAMERA LOCATION 3	58
7.4	CAMERA LOCATION 4.....	58
7.5	CAMERA LOCATION 5	58
7.6	CAMERA LOCATION 6.....	59
8.0	CONCLUSIONS AND RECOMMENDATIONS	60
9.0	REFERENCES CITED	63
APPENDIX I:	CULTURAL RESOURCES DOCUMENTATION FOR ORIGINAL (2-MILE RADIUS) STUDY AREA	
APPENDIX II:	CULTURAL RESOURCES DATA INVENTORY FOR REVISED (5-MILE RADIUS) STUDY AREA	
APPENDIX III:	GEOTECHNICAL BORING LOGS	
APPENDIX IV:	FRESH POND MITIGATION AREA ARTIFACT INVENTORY	
APPENDIX V:	SITE FORM UPDATE: 7S-K-13	
APPENDIX VI:	SHPO LETTER	

LIST OF TABLES

- Table 1. Summary of Cultural Resource Properties within a 5-mile radius of Indian River Inlet Bridge.
- Table 2. Summary of Bulkhead Construction Projects, 1941-1973.
- Table 3. Representative Shovel Test Soil Profiles, Fresh Pond North.
- Table 4. Representative Auger Soil Profiles, Fresh Pond Mitigation Area.

LIST OF FIGURES

- Figure 1. Detail of *Rehoboth Beach, Del.* and *Bethany Beach, Del.* 7.5-minute USGS quadrangle maps (1984, rev. 1991) showing initial 2-mile study area.
- Figure 2. Map showing initial (2-mile) study area, revised (5-mile) study area, and Fresh Pond Wetland Mitigation Area.
- Figure 3. Detail of Sussex County Soil Survey (Ireland and Matthews 1974), Sheet Numbers 46 and 54.
- Figure 4. Detail of Beers *Atlas of the State of Delaware* (1868) showing initial 2-mile study area.
- Figure 5. Detail of Nautical Chart (1880) showing initial 2-mile study area.
- Figure 6. Detail of *Rehoboth, Del.* 15-minute USGS quadrangle map (1918) showing initial 2-mile study area.
- Figure 7. View north from south side of Cullen Bridge. June 1940. Delaware State Highway Department collection. Image #0326. Delaware Public Archives, Dover.
- Figure 8. View south from north side of Cullen Bridge. 1958. Delaware State Highway Department collection. Image #0325. Delaware Public Archives, Dover.
- Figure 9. Map showing the locations of historic tidal inlets and cultural resources within the survey area.
- Figure 10. View southeast showing 1930s Indian River Inlet Bridge. Delaware State Highway Department collection. Image #2432. Delaware Public Archives, Dover.
- Figure 11. Close-up of 1930s timber bent Indian River Inlet Bridge. Delaware State Highway Department collection. Image #2546 pn. Delaware Public Archives, Dover.
- Figure 12. Map showing the location of the 1918 inlet and associated bridge and road within the initial 2-mile study area.
- Figure 13. View toward north from old bridge showing Cullen Bridge under construction. June 12, 1939. Delaware State Highway Department collection. Image #0328. Delaware Public Archives, Dover.
- Figure 14. Cullen Bridge construction. North rest pier vicinity toward northwest. June 12, 1939. Delaware State Highway Department collection. Image #0333. Delaware Public Archives, Dover.
- Figure 15. Cullen Bridge. North approach toward southwest. June 21, 1940. Delaware State Highway Department collection. Image #0327. Delaware Public Archives, Dover.

- Figure 16. Cullen Bridge deck toward south. Note operator's hut at right. July 30, 1940. Delaware State Highway Department collection. Image #0332. Delaware Public Archives, Dover.
- Figure 17. Aerial view of Cullen Bridge after destruction of south bridge trestle toward southwest. RG 1325. General Photo Collection: Transportation. Image #78pn.98136. Delaware Public Archives, Dover.
- Figure 18. Location of Cultural Resource Properties within 5-mile area.
- Figure 19. Map depicting initial 2-mile radius study area, existing cultural resources, and Sangamon age-recurved spit ridges (based on Halsey 1978).
- Figure 20. Pre-Holocene bathymetry of Rehoboth Bay and Indian River Bay (from Chrzastowski 1986).
- Figure 21. Paleogeographic reconstruction of Rehoboth Bay and Indian River Bay paleo-river valleys 4,000 BP and at sea level minus 5.8m (from Chrzastowski 1986 and Hoyt et al. 1990).
- Figure 22. Selected portion of geologic cross-section of Delaware Atlantic Coast (Ramsey 1999).
- Figure 23. Aerial view of Indian River inlet showing areas of pedestrian survey.
- Figure 24. Location of monitored geotechnical borings.
- Figure 25. Location of additional geotechnical borings.
- Figure 26. Map depicting initial 2-mile study area, existing cultural resources, and areas with potential for cultural resources associated with Pleistocene age landforms.
- Figure 27. Map depicting initial 2-mile study area, existing cultural resources, and areas with potential for cultural resources associated with Holocene age landforms.
- Figure 28. Map showing areas of high sensitivity for shallow (< 3m depth) cultural resources within the initial 2-mile study area.
- Figure 29. Aerial view of Indian River Inlet toward southwest showing north breakwater. October 5, 1960. Delaware State Highway Department collection. Image #A503-7. Delaware Public Archives, Dover.
- Figure 30. Locations of newly identified pre-1953 historic architectural properties.
- Figure 31. Map showing relationship between Fresh Pond North, Fresh Pond South (borrow pits and spoils pile) and the Haul Road.
- Figure 32. Fresh Pond North survey area in relation to archeological site 7S-K-13.
- Figure 33. Fresh Pond North map of shovel test and auger test locations.

-
- Figure 34. Fresh Pond North, west-east auger test cross-section of upland, across the intertidal marsh to edge of dredged channel.
- Figure 35. Fresh Pond North, locations of recovered prehistoric artifacts from shovel test units in vicinity of proposed wetland mitigation areas.
- Figure 36. Fresh Pond North, locations of dateable historic artifacts from shovel test units in vicinity of proposed wetland mitigation areas.
- Figure 37. Fresh Pond North, locations of identified shell from shovel test units in vicinity of proposed wetland mitigation areas.
- Figure 38. Fresh Pond South, map of shovel test unit locations.
- Figure 39. Haul Road, map of Phase 1 testing.
- Figure 40. Locations of known prehistoric and historic period loci within 7S-K-13 in relationship to Fresh Pond Phase I survey areas.
- Figure 41. Elevation of proposed bridge (Figg Engineering Group 2003).
- Figure 42. Visualization from camera location 1 (Figg Engineering Group 2003).
- Figure 43. Visualization from camera location 2 (Figg Engineering Group 2003).
- Figure 44. Visualization from camera location 3 (Figg Engineering Group 2003).
- Figure 45. Visualization from camera location 4 (Figg Engineering Group 2003).
- Figure 46. Visualization from camera location 5 (Figg Engineering Group 2003).
- Figure 47. Visualization from camera location 6 (Figg Engineering Group 2003).
- Figure 48. Proposed limits of disturbance at Fresh Pond Wetland Mitigation area, based on archeological data.

LIST OF PLATES

- Plate 1. Ocean View Presbyterian Cemetery area of unmarked graves of the crew of the *Red Wing*.
- Plate 2. Existing Indian River Inlet Bridge. East elevation toward northwest.
- Plate 3. Existing Indian River Inlet Bridge. Detail of east elevation showing piers in inlet toward northwest.
- Plate 4. View of the ocean shore north of the Indian Rive Inlet Bridge.
- Plate 5. View of bay area north of the Indian River Inlet Bridge.
- Plate 6. View of ship's keel section toward south.
- Plate 7. View of ship's plank section toward west.
- Plate 8. View of typical boring bit and sample recovered during boring activities. This sample was recovered from 98.5ft to 100ft below ground surface in boring BI-6.
- Plate 9. View towards west during drill rig operations at boring BI-7 located in parking lot north of Indian River Inlet.
- Plate 10. Indian River Life Saving Service Station. South façade and west elevation toward northeast.
- Plate 11. Fire Control Tower #2. West elevation toward east.
- Plate 12. West portion of north breakwater, Indian River Inlet. Toward southeast.
- Plate 13. Alice Burbage House (S-2564). North side, west end of Quillens Point Road. South elevation toward northwest.
- Plate 14. Summer cottage (S-2569). North of west end, Quillens Point Road. East and south elevations toward northwest.
- Plate 15. Ranger Residence (S-9804.001). Delaware Seashore State Park, North Indian River Inlet. West and south elevations toward northeast.
- Plate 16. Summer cottage (Property 1). North side , west end, Quillens Point Road. South elevation toward northwest.
- Plate 17. Summer cottage (Property 2). North of west end, Quillens Point Road. East and south elevations toward northwest.

- Plate 18. House (Property 3). South side, west end of Quillens Point Road. East and north elevations toward southwest.
- Plate 19. View SE from STU R-1 showing the crew excavating STU Q-2N and STU Q-2W in the vicinity of the proposed Fresh Pond Mitigation Option 1.
- Plate 20. View north showing the excavation of STU BP-29 adjacent to a linear push pile in vicinity of borrow pits.
